S i r :

Responsive to the Office Action dated December 16, 2002, the following remarks are made:

In deference to the election requirement on page 2 of the above-identified Office action, Applicants elects species I (applying a precious metal and a donor material followed by heat treatment to form an alloy layer) for prosecution at this time.

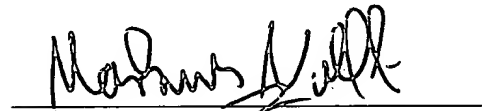

Applicants will consider in due time whether or not to file a divisional for the non-elected species.

The following claims read on species I: claims: 1-7, 11-13, 15, 17, and 19-24.

In view of the foregoing, the early issuance of an Action on the merits, and the allowance of the claims are solicited.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Mark Greenberg", is written over a horizontal line.
